### FROM WHERE I SIT ....

I went to Sunday School in a Baptist Church. Later, I lived in a hamlet of 23 houses, a telephone kiosk and a Methodist 'Chapel'. As a teenager, one of my friends was in the Plymouth Bretheren and one of my cousins became a Jehovah's Witness. In my twenties, I married an Anglican and my best man was a Roman Catholic.

As a student, I studied Theology, learning New Testament Greek. Also, the Theology course introduced me to 'World Religions'. I had led a youth club in Bradford where all members were Muslims from Pakistan, who introduced me to Islam.

Many years later, when I began to travel, my knowledge and experience of other faiths and beliefs became greater. Wasantha and Lasa took me to their Buddhist Temples in Sri Lanka. Ulugbek and Yasir took me to their mosques in Uzbekistan and Abu Dhabi. Bhaskar and Anand took me to their Hindu Temples and to their friend's Jain Temple in India. Laziz took me to a Russian Orthodox Church in Kaliningrad. Akashpreet, my local guide in Delhi, took me to the largest Sikh Temple in the city.

Religion and religious views have immense power to divide but also unite ordinary people. Kelvin Rushworth

## The North Sunderland and Seahouses

### Garden Association Village Show

What a fabulous day we had last Saturday, 1st September for our 36th Annual Village Show. A huge thank you to everyone who supported us; exhibitors, visitors, judges, all our sponsors (businesses and private), and

helpers, and to Mrs. Allen for letting us use Seahouses Primary School.

The association is trying to encourage the children to grow flowers and vegetables. We handed out pots, soil and viola and carrot seeds to the children with the help of Busy Bees Nursery, the Girls Brigade and Seahouses Primary School. The children's entries were almost trebled this year, up to a massive 122. Feedback was that the children loved their gardening projects. If we don't introduce the youth to gardening, the tradition of Village Shows will die out so this is really good news.

## **Been anywhere different recently?**

I was lucky enough to spend a week with friends in Norfolk recently.

Norfolk is so very different to Northumberland. So much flat, unfenced land housing mainly pigs and a few sheep. Lots of dykes with wider waterways criss-crossing vast, flat areas. Many tree lined, narrow lanes if you need to avoid the busy rush of the dual-carriageways and major roads.

Norwich is a beautiful city, with two cathedrals (C of E and Catholic) and alongside the usual city stores are many smaller, individual shops, well worth a browse!

I was delighted to be taken to the Theatre Royal, where I enjoyed a production by the Ballet Rambert. The dancing was splendid. My next excursion from the "norm" was grape picking. This was for a local vineyard called Winbirri Vineyard, Norfolk Wine. They are a family run business, and have 33 acres of vines.

In 2017 Winbirri Vineyard made history by winning the Decanter World Wine Awards "Best Single Varietal White Wine in the World", what an achievement for a local vineyard!

Travelling home on the train, the countryside soon picked up the undulating land, hedges and fences that are more common in Northumberland. It took longer before I saw grass fields with settled cattle grazing happily. The huge cooling towers visible in the distance,

## **Happy Birthday Coast Care!**

Coast Care has recently celebrated their first year and what a year it has been! Over 500 volunteers have logged almost 7,000 hours covering a range of conservation activities from Berwick-upon-Tweed to Amble.

Locally, Coast Care have spent several days maintaining the Seahouses Heritage Trail; removing over 400kg of litter so far, trimming the trees on the old railway line and removing old tree guards on Broad Road.

They have assisted the Northumberland Wildlife Trust with their reserves, removing invasive species on the dunes at Annstead and West Fleetham. Coast Care volunteers have planted a number of native trees between Seahouses and Bamburgh and are working with the Seahouses Primary School to instate a wildlife garden with the help of the school children.

Coast Care is probably best known for their beach cleaning activities with volunteers performing litter picks regularly within the area.

If you would like to get involved, please email [info@coast-care.co.uk](mailto:info@coast-care.co.uk) or visit the website for details on upcoming activities

We've had a flourish of activity over the last couple of months with lots of rows from Beadnell bay and a few outings with other local Coastal Rowing Clubs.

Craster CRC invited us to their annual Viking Event which involved rowing from their Harbour to Sugar Sands and back again. Along with other skiffs from Amble and Alnmouth this was a spectacular event. Unfortunately, Grace Darling's landing at Sugar Sands didn't quite go as planned resulting in our Coxswain breaking a finger and an oar. Even the "Safety Boat" had to be rescued due to a freak wave pattern at the wrong time. It was a timely reminder that life at sea is unpredictable and it certainly didn't put anyone off.

Our next trip out was a day rowing from Berwick to Paxton House and back again with 20 other skiffs from the Scottish Coastal Rowing Clubs and all of the Northumberland Clubs, including Craster, Alnmouth, Amble and even Gateshead! It was a sight to behold with flags flying and a picnic on the pebbled beach at Paxton House. Its certainly an event to put in the diary for next year.

Winter may be around the corner but it doesn't mean the skiffs don't go out. We are looking at river and lake venues as an alternative which keeps the activity all year round and very good value for money for only £25/year membership. During early October and November we will be concentrating on training and safety but also on building on our social life amongst our own members and with Craster, Alnmouth and Amble.

Pencil in **TUESDAY 6<sup>TH</sup> NOVEMBER @ 7.00 PM @ CRASTER ARMS, BEADNELL** for our first event - details to follow.

## What is happening in the Garden??

The Coastal Gardening Club had an excellent meeting today, very kindly hosted by Julian and Gillian Crawford, at their amazing garden in North Sunderland. They are

in the unusual position of having garden on all sides of their bungalow, so can always find a great spot to sit/work/rest in. After a wander round the garden and some hectic trading taking place, we enjoyed coffee and a delicious cake very kindly baked by Val – thanks Val.

The club has grown recently, with new members joining and enjoying the friendly atmosphere and sharing of both plants and knowledge.

The next meeting was on Saturday 11<sup>th</sup> August, where the club have a summer party/picnic to share the events of what they have grown over the season, while eating the shared food brought along by all.

Our final meeting of the season is on Saturday October 13<sup>th</sup>, where we recap on the success and failures we have had this year, chat about how to improve and share any plans already being formulated for next year.

## The Olde Ship Inn Leek Club Centenary Leek Show Sunday 9<sup>th</sup> September 2018

The leek show this year certainly rose to the occasion of being the prestigious 50<sup>th</sup> anniversary of its existence. There was a bumper amount of home baking produce on display, which did extremely well in the auction on Sunday night.

Holiday makers enjoyed visiting the stands, once the judges had finished. It was noticeable how many had not seen leeks of this size or quality before, with lots of pictures taken for proof of what they were talking about once they return home!

The 20lb cabbage also proved to be quite a talking point, and not too easy to carry from place to place.

Although the membership of the club has declined over the last few years, anyone is encouraged to become a member. We had 3 new members showing their leeks this time and all were delighted with their placing. It is a friendly club and newcomers with little or no knowledge are welcome to have a go at growing a few leeks!! And having fun. The auction was, again, a great success, with holiday makers and locals all taking part and having a great night raising funds for the club. It is amazing how much people are prepared to pay for a ginger, chocolate or sponge cake these days!!!!As it was the 50<sup>th</sup> anniversary of the show, which Mr. Alan

## Beadnell Village

Have you been wondering how well the Auction went last August? Absolutely brilliantly thank you and a nice amount of money was raised for the Beadnell Playground. Thank you to EVERYONE who helped with this.

The traditional Bank Holiday Car Boot Sale had to be postponed from the Sunday to the following day due to horrible weather. However, it didn't put the spending public off and we managed to raise a record amount of money.

Again thank you to EVERYONE who helped with this, especially those who made the scones and cakes as it caused chaos with their baking schedule!

A couple of our volunteers have also been revamping our Bus Shelter. If you have a look inside there's a newly built bench and over the next few weeks it will all be painted on the inside and decorated with pictures of local landmarks by the Phil Russell Art Group.

A relatively quiet time for the BiBbers. Apart from the wonderful work our Volunteers do with watering, weeding and feeding – all the other work had been done before the summer judging of the Northumbria in Bloom competition. At the time of typing this we are waiting, with baited breath, the result of our entry. Regardless of the outcome we can all be rightly proud of a magnificent floral display this year for EVERYONE to enjoy.

We never rest on our laurels and have already started planning for next Spring. We are going to make our Daffodil Bulb Bonanza even more spectacular by planting more and continuing up to the entrance to The Lonnen on the B1340. The aim is by 2020 we will have daffodils all the way up to the entrance to The Wynding. We also hope you're enjoying the new lights around Beadnell Lass to help brighten it up on these darker nights.

A special Thank You must also go to the hosts of our Stall on the Wall, and to the generosity of the owners of a new jam factory who ensured supplies of pickles and jams kept up with the demand, and finally the generosity of the Beadnell Bakers who supply all the goods sold at our Car Boot Sales.

**BiB could not be sustained or even survive  
without this invaluable help.**

## BELFORD MUSEUM NEWS

Many thanks to all those who supported our events over the Heritage Open Weekends. The next Museum event is on Sunday 28 October at 2.30 pm in the Ferguson Hall, when Val Knowles and Naomi Kenny will present 'Managing on the Home Front in World War 1' - a performance looking at the issues facing women during the war, including food, money and women's rights. Val and Naomi are well known for their entertaining performances, and it promises to be a most interesting afternoon. As always the Museum WW1 events are FREE, and there will be refreshments. Do come along and join us. Put a note in your diary too, for Belford Players' tribute to the World War 1 Commemoration on 10 November in the Ferguson Hall - '1918 -2018 - A Belford Teacher Remembers'. (More details in the next newsletter).

We are now beginning to plan for next year's displays, and are considering one on the history of the Scotch Church/ Community Club. We are looking for material which relates to the Stanks Cup, the Quoits players (a traditional quoit would be a most welcome addition), and the Hall's use as a cinema; also posters from its early days as a community hall before World War 1. If you have anything you can donate or lend for us to copy for display during next year, we should love to hear from you. Contact: [belfordmuseum@gmail.com](mailto:belfordmuseum@gmail.com) or 213073.

During September we have launched our new website:

Please have a look and let us have some feedback on it.

#### **Glimpses of Old (North) Sunderland in the Lord Crewe papers**

There are many references to North Sunderland and Beadnell in the Lord Crewe papers deposited at Woodhorn archive

Until 1804 the Village was known as Sunderland. As the new industrial town of Sunderland, south of Newcastle grew, "North" was added to distinguish the two places. The first use of North Sunderland is found in the Lord Crewe papers in 1804

The first existing Court Book of the Lords of the Manor of Bamburgh dates from 1695. There were 2 Courts; one for the village of Bamburgh and surrounding lands; one for Sunderland, Beadnell and Shoreston. William Forster at Bamburgh-brother of Ferdinando and Dorothy, the future Lady Crewe, was Lord of the Manor in 1695.

## **BAMBURGH WI**

In the absence of our President, Janet Wilkinson welcomed everyone to our September meeting. On a sad note we learned that one of our retired members, Jenny Aitchison, had sadly passed away aged 97 years. On a happier note we were able to wish our oldest member, Mim Woodeson, a very happy 96<sup>th</sup> birthday.

County events being held include a Scarecrow Competition, a Polish International Day, domino drive and a reindeer beetle drive. Our lunch club this month will be at the Stableyard Café at Craster and our winter quiz nights will commence on the 24<sup>th</sup> September at 7.30 in the Castle Inn. We talked about our two 100<sup>th</sup> Birthday Celebrations. The first one will be in the Castle on the 5<sup>th</sup> October and the second will be in the Victoria Hotel on the 23<sup>rd</sup> October.

Our speakers for the afternoon were Julie and Graham who gave an excellent presentation on the virtues of Aloe Vera. They answered very many questions from members and we thank them for coming to see us.

**NORTH SUNDERLAND AND SEAHOUSES WOMEN'S  
INSTITUTE MEETING SEPTEMBER 2018**

## **Cardio Pulmonary Resuscitation**

Following on from our August break when we held our successful Annual Summer Strawberry Cream Tea, our September meeting was opened by our Chairman, Mrs Judith Stephenson. She welcomed all 29 people present as the meeting was open to the community and introduced our guest speaker for the evening Mr Martin Spruce on behalf of Seahouses First Responders.

Martin gave us a very interesting hour, demonstrating the Defibrillator, how to use the equipment and how to perform "C.P.R." Defibrillation is a procedure used to treat life threatening conditions

There are several "defibs" in and around our villages. These are monitored and kept up to date regularly. We were shown how to open the equipment, the various items inside and their uses,.  
The absolute necessity of rendering first aid as these sudden instances can occur to anyone at any age, children also. We were also shown how to place a person into the recovery position if required

Future events include Centenary Celebrations at St. Nicholas Cathedral on Thursday 6 December at 2.00pm  
A Centenary Celebration Lunch at Hexham on 6 October.

The competition for the evening, a pretty vase, was won by (1) Mrs Sandra Macfarlane (2) Mrs Mary Rawlings and (3) Mrs Sheila Young
