NORTH SUNDERLAND AND SEAHOUSES WI

Our July meeting was very well attended by members. We were entertained by Andy Craig (Photography) who provided a musical backdrop by accompanying his slide shows of themed local photography with his acoustic guitar and song. His sessions included a photographic journey from "Berwick to Amble", "Patterns and Textures in Nature" a video of "The Skaith Pond" at Dunstanburgh Castle Golf Club at sunrise and the changing scenes of our coastal area during "Spring 2022". Andy ended the evening's entertainment with a rendition of the Grace Darling song "Never Been Kissed". A huge thank you to Andy from us all. Our President Judith Stephenson thanked the members for all their help in making Junes Queens Platinum Party so successful and the WI Monday Walking Group for keeping the Seahouses Queens Platinum Jubilee flower bed looking so lovely. In July many of our members were pleased to attend the Regional Roadshow at Bamburgh Pavilion where Marj Read the Federation Chairman thanked the local WI's present for their support of the Federation. In September we were all enthralled by Louise Percival a local acupuncturist who delivered a very interesting session on the history, features and benefits of acupuncture and how it can be used to support medical and lifestyle needs often complimenting medicinal and physical interventions.

Our programme for the coming months is looking interesting with John Sim joining us in October to enlighten us on the role of a police dog handler and in November, Richard Sanderson entertaining us with tales of "The Tetley Beer Man".

We continue to meet for coffee and cake at Coffee 1, Seahouses at 10.30 on the 3rd Tuesday of the month, non-members welcome to join us for a chat. Our next WI meeting will be held at Seahouses Social Club at 7pm on Tuesday the 4th October.

Please feel free to come along and join us for the evening, you will be made very welcome.

CHRISTMAS DAY LUNCHES

2022

We are delighted to tell you that the Ocean Club have once again very kindly offered their premises and staff for all of the preparation so that we will be able to continue to deliver our traditional Christmas Day meals this year. You may of course wish to have a substantial meal but *without* the meat element, so just let us know please.

The Christmas lunches will - as always - be delivered on Christmas Day, already thoroughly cooked (although they will require re-heating at home). Should this present a difficulty for you (or for someone whom you know would like a meal) please make us aware of this in advance so that we can hopefully make some suitable arrangements.

Due to past generous donations, we are once again pleased to offer this to anybody within the local communities.

Advent and Christmas

It seems that as I write this year we again face challenges in the life of our Nation and the World.

For two years we have faced the challenges of the Pandemic and the post Pandemic period and in the last month of 2022 and facing the prospects of 2023 we see the challenges of the fuel and energy crisis, the reality of a War in Europe as Ukraine bravely fights for its freedom and what seems to have been chronic instability and confusion of purpose in our own governance.

I for one would have valued a Queens Speech this Christmas with words of hope and encouragement. This of course brings us to the key national change of 2022 the death of Her Late Majesty Queen Elizabeth II. However her legacy for us is one of faith and hope she said so often that she placed her trust in God and in the message of love and hope which dawns on Christmas morning with the birth of the Messiah. The hope the Queen so often spoke about came not from her but from her deep and ever deepening understanding of the Christian Faith and the love of God for us all. It is said that she encouraged her Father to use these words written by Minnie Louise Haskins in 1939 at the beginning of World War 2

And I said to the man who stood at the gate of the year:

"Give me a light that I may tread safely into the unknown".

And he replied:

"Go out into the darkness and put your hand into the Hand of God.

That shall be to you better than light and safer than a known way".

So I went forth, and finding the Hand of God, trod gladly into the night.

And He led me towards the hills and the breaking of day in the lone East.

I read these words each Christmas and New Year as a Talisman of hope and I would encourage you to take to heart the faith and hope they represent

As we end this year and move into 2023 we pray also for King Charles iii and the Queen Consort as the Coronation approaches in May and pray that God will bless them and us in the coming year. Please join us over the Advent and Christmas period and may God Bless us in the coming year

Festive Lights

Once again, the Festive Lights volunteers have been out in all weathers to make our village look bright, cheerful and festive. We were very lucky for the 'Switch on' evening, that the rain held off, whilst The Village Voices and children from Seahouses Primary School Choir led the singing around the Christmas tree, until Santa and Gwenllian Jones (age 5) switched the lights on. As ever it was fantastic to see such a large crowd gathered and supporting the 'Switch On', braving the elements on such a cold night. Thank you to the owners and staff at Hook Fish n Chip Shop for their help and support with refreshments.

Grateful thanks again this year to Alan MacFarlane - Electrician, Stephen Rutter - Plumber, Gary Annison - GSA Property Services and all their hard working lads, for the additional help with the lights. We are always looking for volunteers to help, so please get in contact with us if you have some spare time and would like to get involved.

May we take this opportunity to wish you all a very Merry Christmas and Best Wishes for 2023.

The Show Will Go On

North Sunderland and Seahouses Gardening Association are extremely pleased to announce our 39th Village Show will go ahead on the 2nd September 2023.

Liz Moor and Jim Williamson stepped down in their roles as secretary and chairman respectively at their Annual General Meeting following several years in these positions.

The Association is delighted to announce new secretary Jodene Anderson and new chairman Jim Congleton into these roles.

It was proposed at the meeting to split the workload up to make the secretary's position less onerous and to have more of a full working committee. The secretary would still need to coordinate the devolved work.

If anyone is interested in joining the committee which meets approximately 4 times a year or would like to help on the day please contact Jodene on 07491991208.

NORTH SUNDERLAND AND SEAHOUSES WI REPORT

The North Sunderland and Seahouses WI have had a very busy and productive few months. In October we were enthralled by John Sim who is a retired Head of Police Dog Handling for Northumberland. He gave an amusing, interesting and informative talk on his time in this role. He explained to us the roles of General-Purpose Dogs, Search and Rescue Dogs, Firearm Support Dogs and Crime Scene Investigation dogs. We all felt grateful for the role these beautiful animals (and their handlers) fulfil in our society.

In November we were highly entertained by Richard Sanderson "The Tetley Man". He regaled us with stories from his 30 years working for the Tetley Brewery which he successfully condensed into one hour. We all felt greatly entertained hearing about his many adventures, some amusing, and some thought provoking and emotional. The Tetley Brewery would have been 200 years old in 2022 and the evening certainly felt like a celebration. It was also brilliant to welcome visitors to the meeting who we hope to see again.

In recognition of the hardship that many in our community are experiencing at this time, each WI member is to contribute to a "Reverse Advent Calendar" where instead of receiving a daily gift, we will donate food or personal items. These will be collated at our WI meeting on the 6th of December and donated to the local food bank in time for Christmas. If members could also bring along any used stamps for collection for the Canine Partner Charity.

In preparation for our January meeting members are reminded to familiarise themselves with the WI Resolutions which can be found in WI Life or the Web Page. These will be discussed at our meeting on the 10th of January along with a talk by Canon Tony Macpherson. All visitors and potential new members are welcome .

7pm at the Seahouses Seahouses Social Club.

Beadnell Beach Run

Report from Beadnell WI

As the year draws to a close we can reflect on a varied and interesting programme . In October we learnt about the skills involved in making bespoke hand creams and balms, and were able to create something individual and unique in the process. November saw us getting into the Christmas spirit by making Christmas decorations, using items from the natural world. So we are ready to enjoy our very special Christmas party evening in December , a delicious meal , catered for us by Ian from Scotties, with seasonal music and gifts. We will also be helping with the village Christmas lights switch on evening in December .

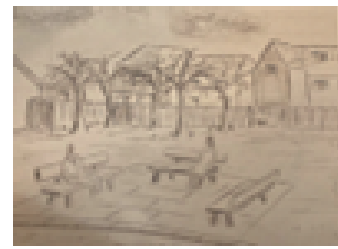

Our regular lunch club remains well supported, and enables us to enjoy a wide range of local pubs and restaurants. The village coffee morning with its delicious home made scones continues to be enjoyed every Wednesday morning in the WI hall from 10-12, and everyone is very welcome to join us.

Soup and sandwiches lunches on the first Tuesday in the month , provided by Bell View, are also well supported.

2023 will be a very special year for Beadnell WI as we celebrate our centenary and we would love to welcome new members and visitors to our meetings. Light refreshments are available and even a glass of wine can be obtained.!

We meet in Beadnell WI hall on the second Thursday of every month. From October until April our meetings are held at 2pm in the hall.

Saturday 3rd December 2022 - Come and join us for our Christmas light switch on. The evening starts at St Ebbas Church with a candlelit service at 6pm, then down to the Bull Ring for the Christmas light switch on with soup, mince pies and mulled wine served at the WI Hall thereafter. There will be music, a Christmas raffle and of course Santa with Mrs Santa will pop in to say Hello too! All welcome and thank you to everyone involved in making this event such a success.

You may have heard about the new "Chatty Corner" in Longstone Close, a great idea whereby people will be able to get together to sit and have a natter. This came about from the Beadnell Community Survey which highlighted loneliness. People asked for somewhere to meet outdoors where they can chat, casually without already being part of a group. Although there are lots of benches in Beadnell looking over the sea and the Bull Ring, which are well used but not conducive to meeting and socialising and are exposed sites even in the summer! Beadnell Parish Council and BCV together with an amazing amount of help from local firm Neil Hart Joinery have made this happen. Thank you to everyone involved, we hope you enjoy using the benches which should be ready Jan/Feb 2023 - we'll keep you posted with a grand opening date!

We are also busy looking at dates for organising community events in Beadnell for 2023, if you have any suggestions on events that you would like to see happen please drop us an email. We are always looking for people to become involved in what we do, even if you can only offer an hour a month, we would love to hear from you.

The AGM for BCV and Beadnell in Bloom will take place on Tuesday 24th January 2023 at 3pm in The Craster Arms Beadnell - why not pop in and see what we get upto - all welcome.

Lastly, if you would like to be kept up to date with our events/requests/news/updates throughout the year please send your email address to: bcvsecretary2021@gmail.com

The village Bloom team were very active in October; we harvested begonia and Fuchsia from the Craster Arms, thank you Michael, and put them to bed for the winter. The following week we composted the summer bedding plants from the 11 planters scattered around the village and re-filled them with bulbs and evergreens to see us through to the spring. Thank you to everyone who helped with this annual chore.

There was also a lot of action down at St Ebba's Way; thanks to the support of the NCC Grounds Maintenance Department we had 2,000 daffodils and narcissi to plant. As the knees stiffened and the blisters grew the involvement of four of the local children kept our spirits up and are all looking forward to seeing some colour in March. The Fish Box that had a close encounter with a car has been repaired, thank you Peter, and is, for now, sited on St Ebba's Way where it has more shelter from the wind and is further from the traffic! Our gardeners will now be resting with their seed catalogues until the days lengthen; thank you for your continued support and ... don't forget to water!

ST. EBBA 'S CHURCH, BEADNELL.

We are Carol Singing in the Craster Arms Garden at 4pm on Friday the 16th December.

All are welcome . Come and join in this festive event.

ST EBBA'S CHURCH, BEADNELL.

We are decorating the Christmas Tree in church at 10 30am on Sunday 18th December all are welcome to help so bring the children. Refreshments will be available.

ST EBBA'S CHURCH, BEADNELL.

On Christmas Eve we are having a Crib and Carol Service in church at 5pm. All are welcome.

W.I. hall Beadnell there will be a free taster seated keep fit sessions 12 15 till 1pm on Tuesdays 13th December. All welcome.

Christmas present ideas for Serious Gardeners.

Free - Bags of well-rotted manure may be hard to wrap but will be welcome in most gardens. The best compost bins are made from pallets, especially if lined with off cuts of insulation or inside out compost bags stuffed with leaves. Home-made presents are always welcome and if you are good with knitting needles, wrist warmers or a ~~cosy~~ neck cowl make winter gardening tasks more bearable. Homemade bird tables and bird boxes are cheaper and usually more substantial than shop bought. The latter need a lift up lid or removable back for cleaning and a metal plate to surround the entrance to stop woodpeckers raiding the contents. These plates cost a couple of pounds on the internet.

Under £5 – Gardening gloves but not thin floral cotton ones please. Showa make a range of gloves for factory workers. Showa 451 is thermal, fleece lined and keep hands warm in winter. Showa 370 lightweight are made for assembly work so are ideal for weeding and continuous wear. Washable too. Available online.

Under £10 - Kent and Stowe make sturdy Gardening Scissors which will cope with a range of tasks from cutting thin branches to edging your lawn. Available from Cowells Garden Centre for £9.99

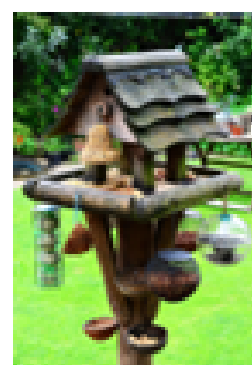

Under £20 - Gardeners who feed the birds will appreciate free standing bird feeding hooks or Feeding Stations. These don't last forever and often need replaced. Different types of bird food is always welcome, but please not the cheap stuff full of grain.

Under £30 - Garden ornaments are difficult to get right but a narrow metal garden obelisk will serve to support climbers or sweet peas, provide a screen from ~~neighbours~~ or act as full stop in a border or view. They are easily moved and last for years.

Under £50 - Good quality Peony supports can be used for outdoor tomatoes and many other boisterous plants. The bigger it is and the more legs it has the better. Don't, ever, buy flimsy easy to bend plant supports. The clue is in the description.

Under £100 - I received an electric Hydropod Cuttings Propagator from Santa and enjoy seeing numerous softwood cuttings grow roots in the matter of days. The stems are continuously sprayed in water (no need to add feed) until they root. They then need to be potted on carefully and perhaps kept covered for a couple of weeks to harden off, but it makes cuttings child's play. Don't forget to keep a chart of what cutting is where and when it was added. It's far too easy to forget.

Over £200 - For serious presents a Hot Bin devours newspapers, garden and all your food waste, even meat and bones and produces rich, weed seed free compost in a matter of months. Takes some getting used to, the secret is equal amounts of brown and green or wet and dry waste but it can be filled to the top every week at least. I wrap all my food waste in newspapers and that works well. Rodent proof, no smell and neat to look at, the 200lt size currently costs £300 but mine has lasted 12 years so far and is still going strong.

Chathill Station

As many people will know a small railway station exists at Chathill.

In the distant past a good number of trains called at the station and served various destinations both north and south.

In recent years there have been two trains per day to/from Newcastle which call at all stations and take around one hour to get to Newcastle.

A campaign has been launched to lobby Northumberland County Council to ask the passenger rail operators to stop more trains at Chathill and to offer more destinations.

Whilst in the long term (six years plus) it is hoped that a station will be built at Belford (and a better train service introduced) this campaign is asking for more trains next year to call at the existing Chathill station.

At present there is no bus link to Chathill and Northumberland County Council would be asked to support a connecting bus link if additional trains are to stop at Chathill.

As part of the campaign, which is supported by Bamburgh, North Sunderland and Beadnell Parish Council's, a questionnaire has been produced to gauge future usage.

It would be much appreciated if this could be completed prior to a meeting with Northumberland County Council's Cabinet Member for Transport.

Save money and support the community

Seahouses Luxury Linen Hire Limited is a social enterprise wholly owned by Seahouses Development Trust, all the profits will be re-invested in the community.

All linen is washed in commercial washers that hold higher temperatures longer unlike domestic washers that only hold a 60 deg temp for a moment or two and that combined with more complex chemistry correctly dosed will kill 99.99% of potential hazards.
