

VILLAGE NEWS OCTOBER 2021

Welcome to the latest edition of the Village Newsletter, published by the Seahouses Development Trust.

With a staff of three, overseen by a group of unpaid, volunteer, trustees, the Trust's role is to work on your behalf, improving the quality of life for everyone living in the Bamburgh, Seahouses and Beadnell area.

Based at The Hub in Seahouses, the Trust offers a huge range of activities for young and old and everyone in between and as we emerge from the chaos of the Covid-19 pandemic there has never been a better time to get out and about again and make the most of what we have on offer.

Why not pop into The Hub on a Thursday morning, anytime between 10am and noon, when we host the Bell View coffee mornings, good company, cakes and home made scones are all on offer every week.

James Bond will be at The Hub on Saturday, November 6th. While we can't actually promise Daniel Craig in person, the latest Bond adventure 'No Time To Die' will be on screen in our terrific cinema. Tickets are selling fast so book now if you want a seat – and don't forget you can buy wine and beers and popcorn and sweets from our bar on film nights.

Thankfully, The Hub is getting busier week by week as life returns to normal – petrol crisis aside!

New members have joined the ~~proggy~~ mat group which has just made a smashing new mat for Seahouses Primary School.

Keep fit classes are about to start again on Mondays at 1.30pm, all welcome, and soon we will be offering an informal drop in service for anyone needing a bit of help and advice on how to use their mobile phone or tablet. Free IT classes will also be available right through November. Give us a call at The Hub to find out more.

The Trust also publishes this newsletter which we think is a great way to find out what's happening locally and for businesses to advertise their services, knowing that every penny raised from the newsletter – delivered by a fantastic group of local volunteers - goes back to help our community.

To find out more about any of the above, phone The Hub and speak to Anne or Shirley on 01665 721868.

Fun , fun , fun!

September means one thing at Seahouses Youth project, the start of youth club for another year. We still have to stick to government Covid-19 guidelines so run slightly different than usual but that does not mean we cant have loads of fun. Which we did on our first session. We had a games night this consists of pool, air hockey, arts and crafts and fun on the x box or Nintendo switch which is a new edition to our games night. The children can relax in a safe environment with their friends and have fun.

Also this year new to Seahouses Youth project is Young Adventurers! We got off to a flying start joining in with the Great British Beach Clean, this is a survey carried out every year across the country by the marine conservation society.

INDOOR BOWLS

Would anyone interested in playing Carpet Bowls? Starting in September on Fridays 10am – 11am at The Hub, Seahouses.

North Sunderland and Seahouses WI Report

It has been a very long 18 months since the North Sunderland and Seahouses WI has met in person for a meeting. This does not mean that we have not been keeping in touch and finding ways to enjoy each other's company. We feel very privileged as a group in that every month since April 2020 our secretary Sandra Macfarlane, has delivered a homemade crafted card to each member including messages of support. Knowing that our group was there for each other during the long periods of lockdown was invaluable.

As soon as we were able to do so, we have been meeting once a month for "Coffee, Cake and a Chat" at Coffee 1 in Seahouses Village. The weather has been kind to us and on several occasions and it has been great to sit in the sun and catch up on what we have all been up to and day to day life. It has also enabled us to have impromptu updates on WI matters. The sense of community has been amazing and welcomed by all. In August many of our group met up for afternoon tea, generously hosted by our President Judith Stephenson. It was a gloriously sunny day. There is nothing better than a good cup of tea (or coffee) to wash down homemade cakes and scones. The months of lockdown seemed very far away.

At the time of writing, we are looking forward to our first face to face meeting in 18 months and returning to the routine of monthly meetings, interesting speakers, and entertainment. If you would like to join us, we meet on the first Tuesday of every month at the Seahouses Ex Serviceman's Club at 7pm.

We look forward to welcoming visitors and new members.

Harbour Artists held in the Methodist Chapel Hall, Main Street, Seahouses every Tuesday morning
10am -12.00pm.

New members, painters or crafters will be made welcome by a friendly group.

Seahouses Volunteer Group

Contacts: Jill Hall 01665 721023 and Louise Trotter 07539 758421

The Volunteer Group had a very successful morning raising funds with their stall at the Harbour on Sunday 22nd August. The Harbour Commissioners allowed us to use the space in front of the Trinity House store, our Volunteers baked, sewed and donated many items for sale

and some generous residents known for their baking and cooking skills also gave us some wonderful home cooked pies, cakes and biscuits which were greatly in demand. And a special thank you to all the people who visited our stall, purchased items or bought tombola tickets, you helped make it a really fun day. Proceeds of the sale will provide funds for new soil, compost and plants to renew the coastal themed planters ready for the next season. Although we are at the end of autumn, we are always grateful for any excess plants you may find you have as we can put them to good use in the planters. A quick call to Louise to arrange to drop them off is all it takes.

Have you seen these handy microwavable bowl holders which were on sale at the stall? They were made by one of our Volunteers from 100% cotton with heat resistant padding inside. There are a few on sale now at £2.50. Just contact Louise or Jill. Our next project will be a display in the village to commemorate Remembrance Day. We hope to

work with the pupils of Seahouses Primary School so we can include residents of all ages to acknowledge the sacrifices made.

Our next project will be a display in the village to commemorate Remembrance Day. We hope to work with the pupils of Seahouses Primary School so we can include residents of all ages to acknowledge the sacrifices made by previous generations.

Bamburgh Christmas Lights switch on.

**Saturday November 27th 2021
at 17:30 hrs**

**at St Aidans Church
followed by a blessing of the nativity
Christmas tree switched on at 18:15 hrs**

Bamburgh has opened up once again to wedding celebrations with marquees being erected both on the cricket field and in Glebe-field ,next to the church, just a sign that gradually village life is returning to normal.

With the huge increase in visitors **Bamburgh** Women's Institute is organising a second village and surrounds clean up, taking part in the GREAT BIG GREEN WEEK project. On Wednesday September 22nd WI members will be collecting litter clearing equipment from the Pavilion at 10am and it is hoped many residents and visitors will join them. The similar project in June proved very popular with visitors who appreciated the efforts everyone was making to keep **Bamburgh** looking its best with TAKE YOUR LITTER HOME being passed on to visiting families with children who seemed to take on board this important message. Table tennis has now joined Croquet, Tennis and Golf giving players a chance to shake off the long Covid delay and players are delighted to test their table tennis skills despite aching muscles. The production of the N.T.C. performance of The Importance of being Earnest, in the Pavilion, was welcomed back with loud applause as it has been a very difficult time for all performing art groups. Many of the organisations, based in **Bamburgh** are tentatively arranging their programmes for the remainder of the year into 2022 giving their members something to look forward to.

The North Northumberland Bird Club

Founded in 1984, we meet for talks on the second Friday of the month from September to June in Bamburgh Pavilion. Our speakers are both local, Tom Cadwallender for example, and national figures in birding such as Dr. Ian Newton, an academic and author of many articles and books. The speakers take us to places such as Arizona and Australia and examine issues such as the decline of the curlew and the impact of farming on bird species.

As well as the talks we have a varied field trip programme that includes visits to reserves such as Saltholme on Teesside, local places such as St. Abbs and Aberlady Bay and even further afield to Yorkshires and Bulgaria for residential trips.

Members can send their sightings to the club recorder and these are then passed onto the Northumberland and Tyneside Bird Club to help build a picture of bird life in the County.

A Facebook page and club website allow members to contribute stories and photographs as well showing the latest happenings in the birding world. They also have information about the club's programme of talks and field trips.

FROM WHERE I SIT ---

In the last edition of Village News, I wrote how I tripped on an upturned paving stone outside the Upper Building of the Alnwick Medical Group and fell flat on my face, on 4 June. I had a broken left arm with a modern cast and, then, a lighter splint on until 5 August.

On 5 August, having been discharged by both the Consultant and the physiotherapist, I was able to drive again and celebrated by having two short breaks with my sons and their families in Tynemouth and Harrogate.

On 13 August, whilst driving home to Seahouses, I felt unwell and called into the walk-in Urgent Care Centre at Wansbeck Hospital.

I learnt that I had had 'heart failure' and was rushed, in an ambulance, to the Specialist Emergency Care Hospital in Cramlington. After two days there, I was transferred to the Cardiology Ward back at Wansbeck Hospital.

So, after almost a lifetime of no experience as a hospital in-patient and very little as an NHS out-patient, 2021 has been a real and extremely positive revelation!

Eventually, on 28 August, I was discharged. Another NHS adventure in two months, when I have the cataract in my right eye removed!

Kelvin Rushworth

'Autumn Stories'

George Scott will talk about tales of school (and perhaps out of school?), Paddy Clarke whose experience as a pilot is already well known and who will doubtless take us all on a 'flight of fancy' definitely not to be missed.

Proceeds will go to the Farne Churches Youth and Family Outreach charity which employs a Youth and Family worker.

Subject to Covid restrictions being relaxed the meetings will take place in Seahouses Methodist Church Hall at 19.00 as under:

Wednesday 13th October : Tales of a pilot. Paddy Clarke

Wednesday 10th November : Tales out of school. George Scott.

Admission will be £5.00 with tea and coffee provided.

For more information please contact John Holwell on 07984 355363.

A musical about Grace Darling?

What to do over the Covid crisis? Write a musical! by The Greycatz, the local band, Beadnell. Lockdown was a strange time for us all, and as we had no other work on we've written a musical about Grace Darling. Now we'd like to get together a group of locals- no experience necessary - to stage a performance at Christmas time as a pantomime. You don't need to be able to sing or dance, as Helen, Russell and I will provide the music and the vocals if needed, you just need to be interested.

I should say we have no funding for this project, we're doing this totally on our own, and we need a cast of at least 5 to make it work. The script is a lot of fun, and we've written 8 original songs so far, though we have other songs available if we need them. Scenery can be kept to a minimum and I have some ideas for making it easily and portable. So, we need costumes: suitable clothing donations would be great. Someone who is good with wood. Someone who can paint.

Between 5 and 9 people to play the parts, including Grace, who's the only member of the cast who really needs to be "young" all the rest can be any age at all. So if you'd like to help or get involved then please contact us: thegreycatz@gmail.com Any money raised will go to charity. **Richard Batten, Beadnell.**

Beadnell WI Hall is open for business again.

The hall is a great venue to hold family parties and events, with its state of the art kitchen, roomy main hall, small committee room, lovely patio and garden. It has both an alcohol and music license. A really an excellent place for clubs and activities. Currently we have The Phill Russell Art Group (Thursday 10-12,) contact Dot Good .07506517028

Beadnell in Bloom

The great impact of all our flowers has been remarked upon by so many people; visitors and villagers alike, that it has made the watering and tending all worthwhile! Thank you to the hardy water carriers and weeders, the boxes should keep us in colour until we have to put the bulbs and foliage in for the winter. Our cheerful NCC grass cutters also deserve a thank you for keeping everything tidy. The main project for autumn is to refresh the lavender beds so; hopefully, we will be calling out the troops to work together for a change. The work done by our friendly NCC team and local joiner Neil Hart to create a new Bull Ring access in a safer place is much appreciated but means some daffodils need to move too! If you haven't been part of the Bloom team before this would be a good, short job to get started with so please contact us at katherinebeadnellinbloom@gmail.com

Beadnell Community Volunteers

Beadnell has seen a huge number of visitors this summer and it seems as though all of them have visited the Stall on The Wall. We're indebted to the Browns, and the generous donators of produce, jams and bric a brac, for keeping a steady stream of funds coming in given that lockdowns and restrictions cost village projects the loss of five car boot sales in 2020 and early 2021. Fortunately we were able to hold our August Bank Holiday Sunday event and, despite quite a cool damp morning, had a great turn out of stall-holders and bargain hunters. People were clearly having a good time and enjoying a great community event. Thank you to everyone who put up the marquee, moved tables, baked or jammed, parked cars or rattled buckets.

Helping out at Beadnell community events is great fun and very rewarding. We are currently helping with the Bell View Soup and Sandwich lunches that take place each month at the WI Hall in Beadnell. If you would like to get involved and help with any of our events please contact Caroline Coley the BCV Secretary at bcvsecretary2021@gmail.com

The next date for the diary is the BCV AGM to be held on Tuesday 16th November 2021 at 3pm in The Craster Arms.

Is it too early to think about Christmas Lights? As this is such a popular event we thought you would like to keep the date of **Friday 3rd December 2021** in your diary, timings will be confirmed in the next Village News.

Thank you as always for all your support.

Space for Shorebirds

Autumn. A time of transition here in Northumberland as the coast begins to fill with birds returning from their summer breeding grounds; most having travelled thousands of miles to call Northumberland their home.

Stag Rock is a fantastic place to see shorebirds. The long, gently sloping stretches of whinstone dotted with rockpools and secluded hiding places make this a great area for birds to find food and a sheltered spot to roost. Two special birds which thrive here are turnstone and purple sandpiper. The Northumberland coast supports internationally significant numbers of these birds, with Stag Rock being one of the most important sites for purple sandpiper in the UK.

Both birds are true rocky shore specialists, and now must spend as much time as they can feeding to replenish their energy levels which were depleted during the breeding season and their migration. Maintaining good physical condition is key to surviving a long winter and this requires access to undisturbed feeding areas.

For more information about these birds, as well as the other shorebirds you are likely to see on the coast over the coming months, please visit our website – www.spaceforshorebirds.co.uk

HospiceCare
NORTH NORTHUMBERLAND
Caring for Life

HospiceCare's short-film 'Bringing Hospice Care Home' has finally gone live. This is a specially commissioned powerful, emotive, and unique film showcasing, for the first time, the work of their Hospice at Home and end-of-life care and support in the communities of North Northumberland - something they have wanted to produce for a long time but have previously only been able to talk and write about it.

However, thanks to the generosity of retired local BBC Producer, Chris Jackson, who donated his time and professional expertise, they now have a short professionally produced film.

In the film, Nina Burnett, HospiceCare's Clinical Services Manager, has a conversation with Eric, who kindly shares his story of how HospiceCare cared for his wife Marilyn enabling her to die at home with her family - which was her wish. Last year HospiceCare helped over 230 families across North Northumberland enabling over 120 people to die at home, which was their preferred place for end-of-life care.

You can watch their short film by visiting:
