FROM WHERE I SIT ....

Together with almost 100 others, I attended the 2019 Northumberland Celebration of Village Halls on a glorious sunny but frosty day in Stanington Village Hall. What a great inspiring event.

There are over 180 village halls in Northumberland, including 20 Warm Hubs. Seahouses Hub is our equivalent of a village hall and the monthly Fish and Chips Lunch (organised by Seahouses Rotary) has been designated a Warm Hub. I had lunch with Lynne and Angela, representing Beadnell WI Hall, and read a copy of the fascinating booklet "The history of the WI in Beadnell".

Julia Plinston talked about the birth of Community Action Northumberland in 1951 and their initial concentration on village halls, announcing the launch of a Heritage Project in collaboration with Northumberland Archives to ensure that the tons of information about village halls is stored and made available in a variety of ways.

After lots of networking and nattering, Ian McMillan (Radio 3 Presenter, Poet and Village Halls National Ambassador) gave an hilarious talk and, with the help of the audience, created a special poem.

The terrific conclusion, announced by Louise Curry before lunch, was a £420,000.00 grant to Community Action Northumberland from the National Lottery, to be distributed to eleven village halls in Northumberland. Wow!  
Kelvin Rushworth

Rockliffe, St Aidans  
December 2018

May I offer a huge thank you to all Jean's relatives, locals and friends, who knew her so well, and sent good wishes to myself, Elizabeth, Judith and Jean's sister, Gillian.

Initially, my thanks go to our local First Responder Martin Spruce for his exceptionally speedy arrival after 999, the ambulance crew in attendance, Martin and Agga, and the two helpful policemen from Berwick.

I am also indebted to Deacon Jackie for such a truly understanding Service, to Jean's family friend, organist Harry Hanvey, to Alan Haile and his funeral team for, as always, a perfectly directed funeral, to the RNLI team who turned out "on parade"; finally, but not least, all the past and present staff at the Ship who knew her so well and meant so much to her.

I regret, out of pure ignorance, not being able to reply to Internet emails and texts, but thank you anyway!

Further to my letter above, the Funeral collection amounted to an extremely generous total of £1,200.

As indicated on the service sheet, the monies will be donated to:

FIRST RESPONDERS  
BELFORD MEDICAL PRACTICE  
ALNWICK MEDICAL GROUP

Thank you all for your splendid largesse.

Yours Alan G

## **BAMBURGH WI REPORT**

Bamburgh WI held their first meeting of 2019 on the 9<sup>th</sup> January, Christine Hutchinson welcomed everyone including one new member. County events in the future include a Pamper Evening, a Craft Day, Speaking with Confidence Workshop, Easter around the World and Carpet Bowls. We had also received an invitation from North Sunderland/Seahouses WI's 95<sup>th</sup> Birthday. Our own events during January are a Programme Planning Meeting, a Quiz Night and our monthly lunch group. We are also hoping to organise a visit to Peebles in the Spring.

We did not have a speaker for this meeting so we held a Members Afternoon. The format was a "Story to Tell" and several members had a few tales to relate. These included a lost piglet, a piece of coal, several tales of loos around the world. There was also funny tales (and sad ones) from retired teachers in our group. Tea was very welcome afterwards.

The next meeting will be at 2pm in Bamburgh Pavilion on Wednesday, 13<sup>th</sup> February, when Ian Wilkinson will give a talk on his naval exploits. A warm welcome is given to all visitors.

### **Beadnell WI**

Having enjoyed an autumn programme and become informed about the work of a naval attache in Moscow, what it is like to be a driving instructor and how to train

collie dogs to do their work, Beadnell members finished 2018 with a convivial Christmas meal.

The new year is going to be fun for us. In January we are to have a Members' Night based on the theme of food – a favourite subject for many of us! That will be followed in February by a session on Days out with a Camera led by Sue Dawson, one of our members. As ever, a pooled supper will be incorporated into our meetings. We always meet on the second Thursday of each month at 7.00pm in our institute hall. Please come along if you would like to join in the fun.

## NORTH SUNDERLAND PARISH COUNCIL

### *Improvements and more spaces in Seahouses Main Car Park*

The present work in the car park will be completed before Easter and will offer:

- ⇒ Additional spaces for vehicles  
a total of 177
- ⇒ Larger bases for camper vans
- ⇒ Bays clearly marked out
- ⇒ New drainage in the top car park  
to ensure excess water flows away  
efficiently

Northumberland County Council have arranged and funded this work to ensure

Seahouses is better equipped to offer residents easier parking. With additional space, tourists will be able to park their vehicles and go off to explore and enjoy the delights of the beaches, the harbour and all the village has to offer.

## **BELFORD MUSEUM NEWS**

During January, we have been busy at the Museum, redecorating the Front Room, preparing new exhibitions on the Greenwich Estate Mills at Spindlestone and Waren, and on the Belford Area men who became Japanese Prisoners of War after the fall of Singapore in 1942. We are also updating our interactive system and hope to have the catalogue for the Resource Area complete by our reopening on 1 February - still the same hours - winter 10.00 - 4.00pm daily, admission free.

On the weekend of 16/17 February, to encourage you all to come and see our changes and explore our resources, we are having a special Open Weekend. Then there will also be an opportunity to see Brian Rogers' award winning photographic presentation 'A Northumberland Farm' which was shot at West Hall Farm in 2010. We hope to see you sometime over that weekend.

The village had a surprise visitor when Princess Anne dropped in by helicopter to see George and Ailsa Shiel and pop across to the Longstone lighthouse! George runs the Golden Gate, the only boat allowed to land on Longstone and Princess Anne is a keen Pharologist which is why she requested to visit Longstone Lighthouse along with the celebration of Grace Darling.

She became an Elder Brother in 2004 and was elected The Master of Trinity House in May 2011. HRH Princess Anne is also a proficient and keen sailor having taken part in many competitions and was talking to George about her sailing and his own experiences.

You can see pictures of the visit on the Golden Gate's website at [www.discoverthefarneislands.co.uk](http://www.discoverthefarneislands.co.uk)

(Picture thanks to Jane Coltman, Alnwick gazette)

## CHRISTMAS DAY LUNCHES 2018

**The friends of St. Paul's would like to say a massive 'thank you' to the team of volunteers who combined to make the Christmas Day lunch deliveries (around Beadnell, Seahouses/North Sunderland and Bamburgh) possible once again. The warm hearted response from everybody involved was greatly appreciated and this year more lunches than ever went out, or were eaten in with some of the helpers. We also received more donations, contributions and gifts of food whilst the offer of drivers and kitchen helpers was truly amazing, not only on Christmas Day but also for preparations on Christmas Eve and for Boxing Day visits. New friends came to assist alongside those regular faces who are always there to lend a hand. We have already received welcome offers of help for Christmas 2019.**

**THANK YOU ALL SO MUCH!**

It's all been quiet on the Skiffing front for the Bamburgh & Beadnell CRC apart from an alternative Christmas party with a row from Amble up the river to Warkworth and back again at the beginning of December. It was a brilliant day out and as you can see well attended by other local clubs.

Grace Darling is in dry dock at the moment for its annual maintenance but we look forward to getting her out on the water very soon.

At the time of printing this article, the BBCRC Annual General Meeting is due to take place on Tuesday 29<sup>th</sup> January with a packed Agenda and hopefully some exciting new initiatives to announce.

If you are interested in finding out more about this Club, please feel free to contact me on [bandbcommunityrowingclub@gmail.com](mailto:bandbcommunityrowingclub@gmail.com). This is a club for the community and all ages, abilities and levels of interest of welcome.

The Mobile Library will be in the car park at Seahouses Hub  
on the following dates:

# Happy New Year for 2019 from BEADNELL VILLAGE

New Logo  
to be  
launched  
from  
February  
2019

The Beadnell Community Volunteers AGM took place on 16<sup>th</sup> January 2019 at the Craster Arms when we were delighted to report another successful year of fundraising and awards!

The meeting started with a change of Chairman for the BCV. **Gordon Brown has retired as Chairman; the post he's held since the group was first formed in 2012.** To formally thank him for all his hard work and abiding commitment, the committee presented him with a framed **drawing of St. Ebba's Church, originally drawn by Jen Hall's father the then proprietor of Beadnell Towers.** Gordon and Joan were outbid at a recent Auction held by the BCV for a similar picture so they were particularly thrilled with this.

For your information, the newly elected Chairman is Peter Jenkinson, with Colin Brunt continuing as Treasurer and now Katie Archer as the new Secretary.

Christmas seems like a long time ago now, but we do hope you enjoyed our display of lights. The event was attended by a record number of **adults and children with standing room only at St. Ebba's Church, then a visit from Santa Claus followed by the "Village Voices" entertaining everyone at the Beadnell WI Hall while they drank mulled wine and enjoyed some homemade soup.**

As expected not a lot has happened during January as far as gardening is concerned. Apart from the daffodils getting it wrong and sprouting too early due to the beautiful sunny and warm winter days we've experienced. **Let's hope we don't have another Beast from the East to cover them all up with snow!**

Congratulations to Selby Brown who has raised over £1400 to Prostate Cancer research by not shaving or cutting his hair for two years! The Great Shave off happened at the Masonic Hall, North Sunderland when the Brethren of the Farne Lodge held their January meeting.

**"I would like to thank everyone in the village and beyond for their amazing generosity."** said Selby The only problem is now I've got to buy a woolly hat!

Hello and a belated Happy New Year to everyone, from Bamburgh Castle! We are starting the New Season determined to make contact with all local residents, as well of course with our welcome visitors. We hope you may like a flavor of what's happening this season at the Castle, now under new management, with the Watson-Armstrong family playing an increasing hands on role. We hope through Village News, to keep you in touch as the season progresses.

This is the 125<sup>th</sup> Anniversary of the first Lord Armstrong buying the Castle in 1894. So, although our history goes back to Anglo Saxon days, and earlier, we will focus on the Armstrong story at the Castle this year. Next year will have a different historical focus. We will be offering illustrated Talks on the 4 Lord Armstrongs, and today's family; we have a new Book to celebrate. If you visit the Castle, you may even meet Lord Armstrong in person...! And we are happy to arrange for Talks to local Groups, if you would like someone to tell your organization more about the Armstrong era. Just get in touch...

Changes are happening here; we are about to throw open the Castle grounds to dog lovers and their canine companions as of the 1<sup>st</sup> April. We are introducing a new Local Friends/Membership scheme for local residents-watch this space for further details. For young visitors we are introducing miniature pony trap rides and how to care for a pony along with Lego workshops and open air cinema concerts to name but a few of the different events happening here.

We do hope that you, as well as our Visitors, will visit our Castle this season for more details about events our website can be found [www.bamburghcastle.com](http://www.bamburghcastle.com) or 01668 214208

# **SEAHOUSES OUTDOOR BOWLS CLUB**

## **8 STEPS FORWARD – 7 STEPS BACK!**

We were very pleased to have gained 8 new members in 2017 but, alas, we lost 7 members last year due to ill health or moving away, thereby reducing our total to 23. We are therefore urgently looking for more members again, still with a target of 50 members if possible, to ensure the long term future of the club.

So, if you were ever considering playing flat green bowls, PLEASE GIVE IT A TRY THIS YEAR.

The new season starts on Saturday 20<sup>th</sup> April 2019 and all prospective new members are allowed THREE FREE 2 HOUR TASTER SESSIONS on weekday afternoons or evenings (2 – 4:30 & 6:30 – dusk) or at weekends by prior arrangement. ALL EQUIPMENT PROVIDED and don't worry if you've never played before.

For any further information, please contact Steve Clement, on 01665 721203 or have a chat with Stephen Keay in Cubby's.

## **FUND RAISING EVENTS THIS YEAR**

We are trying to raise funds for a suitable structure to provide a changing room/bad weather viewing facility as we no longer have the use of our previous locker room in the Hub.

**CAR BOOTS - Monday 27<sup>th</sup> May and a Sunday (to be agreed) in late July** at Seahouses Hub. 9am to 12 noon. Raffle.Refreshments. Tables/Cars/Vans £6.

TO BOOK Ring Stephen Keay on 01665 721374.
